The **ITUP L.A. Health Collaborative** meets twice a year and brings together a diverse range of safety net stakeholders and local health leaders engaged in health reform in L.A. County. Typically, more than 100 attendees benefit from program updates and consider emerging issues and challenges in lively small group discussions.

The next L.A. Health Collaborative will meet **July 9, 2018**, from **1:00–3:30 p.m.** at The California Endowment offices in downtown L.A. Agenda topics include:

- **Behavioral health integration and improvement.** Consideration of local successes and challenges related to integration of health, mental health and Substance Use Disorder treatment services. County officials and local stakeholders will provide updates on local implementation of the Drug Medi-Cal – Organized Delivery System waiver and other local innovations and successes.
- **Health Reform in California.** ITUP staff and participants will check-in on the latest developments in federal and state reform, including pending state legislative proposals to cover the remaining uninsured and stabilize the individual market.

ITUP invites you to consider sponsoring the L.A. Health Collaborative:
