About ITUP

Insure the Uninsured Project (ITUP) is a Sacramento-based nonprofit health policy institute that for more than two decades has provided expert analysis and facilitated convenings for California policymakers and decisionmakers focused on health reform.

The mission of ITUP is to promote innovative and workable policy solutions that expand health care access and improve the health of Californians, through policy-focused research and broad-based stakeholder engagement.

ITUP is generously supported by the following funders:

- Blue Shield of California Foundation
- California Community Foundation
- California Health Care Foundation
- Kaiser Permanente
- The California Endowment
- The California Wellness Foundation
