

## 2019 L.A. Health Collaborative Sponsorship Opportunities

The **ITUP L.A. Health Collaborative** meets twice a year and brings together a diverse range of safety net stakeholders and local health leaders engaged in health reform in L.A. County. More than 100 attendees benefit from program updates and consider emerging issues and challenges in lively small group discussions.

The next L.A. Health Collaborative will meet **July 8, 2019**, from **1:00–3:30 p.m.** at The California Endowment offices in downtown L.A. Agenda topics include:

- **Health Reform in California.** ITUP will share and discuss federal and state reform updates, including state efforts to cover the remaining uninsured and stabilize the individual market.
- **Care coordination.** ITUP will engage local attendees in a discussion on the status of local care coordination efforts for Medi-Cal beneficiaries. This topic will build on recently concluded state-level discussions organized by the state Department of Health Care Services (DHCS). DHCS gathered stakeholders in Sacramento to consider the full spectrum of care coordination in Medi-Cal managed care: screenings, health assessments, case management, care management, data, transitions in care, communication, governance, training and monitoring through meaningful metrics.

ITUP invites you to consider sponsoring the L.A. Health Collaborative. Sponsorship offsets a portion of event costs including staffing, catering, and materials.

**Sponsorship levels below are for illustration purposes. There are no restrictions on sponsorship amounts.**
