# L.A. Health Collaborative

## Care Coordination: Making Care and Services Work for Clients

---

July 8, 2019

# Welcome and Introductions

Agenda overview and meeting guidelines

## Insure the Uninsured Project

- Nonpartisan, independent 501 (c)(3) organization, founded in 1996
- The mission of ITUP is to promote innovative and workable policy solutions that expand health care access and improve the health of Californians
- ITUP implements its mission through policy-focused research and broad-based stakeholder engagement

*The L.A. Health Collaborative is generously sponsored by:*

LIBERTY Dental Plan

L.A. Care Health Plan

## ITUP Vision – All Californians have the resources they need to preserve and improve health

*ITUP seeks a health care system that is:*

**Universal** – All Californians are eligible for comprehensive health coverage and services, including primary and preventive health care services

**Accessible** – Californians have access to coverage choices and services that are available, timely, and appropriate

**Affordable** – Coverage and care are affordable for public and private purchasers and for consumers at the point of care

**Effective** – Health care and related support services are cost-effective, coordinated, and high-quality

**Equitable** – Californians can expect fair access and treatment regardless of health status, age, income, language, race or ethnicity, gender, immigration status, geographic region, and public or private coverage

# Update on Health Reform in California

## **2019-20 STATE BUDGET**

### **Coverage and affordability**

- Full-scope Medi-Cal expansion to undocumented young adults between 19-25
- Medi-Cal extension to seniors with incomes between 124-138 percent Federal Poverty Level (FPL)
- State individual coverage requirement
- State financial assistance for Covered California premiums

# Update on Health Reform in California

## **Proposition 56 tobacco revenue funding**

- Value-Based Payments Program providing provider incentives
- Developmental and trauma screenings and related provider trainings

## **Other budget items**

- Restoration of Medi-Cal optional benefits for three years
- Health enrollment navigator funding in support of Medi-Cal beneficiaries
- Homelessness and Housing Assistance
- Healthy California for All Commission
