**FIGURE 4. Covered California Enrollment by Race/Ethnicity, December 2021<sup>3</sup>**

Covered California's data privacy policy rounds all figures to the nearest 10. As a result, grand totals shown may be more than 100 percent. Alpine county data, because of these rounding policies and a small population size, is particularly skewed. In addition, there was no data available for Black, Asian, and Native Hawaiian/Pacific Islander race/ethnicity categories in Alpine County.

**FIGURE 5. Covered California Enrollment by FPL, December 2021<sup>3</sup>**

Amador	2.5%	87.4%	6.3%	1.9%
Alpine	20.0%	100.0%	20.0%	20.0%

Enrollments where the FPL of the member is not known are not included here. Covered California's data privacy policy rounds all figures to the nearest 10. As a result, grand totals shown may be more than 100 percent. Alpine county data, because of these rounding policies and a small population size, is particularly skewed.

\*\*Dual Eligibles are those eligible for Medicare and Medi-Cal, also referred to as Medi Medis.

Due to small sample sizes and data privacy policies, percentages may equal more than 100 percent. Alpine county is particularly skewed.

**FIGURE 12. Medicare Enrollment by Race/Ethnicity, 2020<sup>8</sup>**

Due to small sample sizes and data privacy policies, percentages may equal more than 100 percent. All race/ethnicity data is masked for Alpine county, therefore, this county is excluded from this figure.
