NOTES

- U.S. Census Bureau, [2018 Population Estimates](#), July 2018.
- 2009, 2017 California Health Interview Survey.
- California Department of Health Care Services (DHCS), [Med-Cal At-A-Glance](#), March 2019.
- DHCS, [Medi-Cal Managed Care Enrollment Report](#), December 2018. In the *Two-Plan Model*, one county-organized local initiative public health plan and a commercial plan deliver most Medi-Cal services in the county. A *County Organized Health System (COHS)* is a county-wide, public health plan originally organized by the county to serve all Medi-Cal beneficiaries. In the *Regional Model*, at least two commercial plans provide most Medi-Cal services in 20 primarily rural counties. In the *Geographic Managed Care Model*, the state chooses multiple commercial plans to deliver most Medi-Cal services in the county.
- DHCS, [Whole Person Care Pilot](#), February 2019.
- DHCS, [Counties Participating in DMC-ODS webpage](#), last modified June 2019.

About ITUP

Insure the Uninsured Project (ITUP) is a Sacramento-based nonprofit health policy institute that for more than two decades has provided expert analysis and facilitated convenings for California policymakers and decisionmakers focused on health reform.

The mission of ITUP is to promote innovative and workable policy solutions that expand health care access and improve the health of Californians, through policy-focused research and broad-based stakeholder engagement.

ITUP is generously supported by the following funders:

- California Community Foundation
- California Health Care Foundation
- Kaiser Permanente
- The California Endowment
- The California Wellness Foundation
