**Dual Eligibles are those eligible for Medicare and Medi-Cal, also referred to as Medi Medis. The dual eligible enrollment data is from April 2021.

Medicare Enrollment, by Race/Ethnicity¹⁰

Across all North Central Counties, Medicare enrollment data was unavailable due to low sample size for the following Race/Ethnicity categories: American Indian/Alaska Native, and Native Hawaiian/Pacific Islander. In addition, the small sample sizes have resulted in masked data for the listed race/ethnicity counties, therefore, some counties do not add up to 100%.
