# **CalAIM Implementation: Funding and Operational Support for Community- Based Solutions**

---

September 7, 2022

# ITUP Mission & Vision

## Mission

ITUP's mission is to promote innovative and workable policy solutions that expand health care access and improve the health of all Californians. ITUP implements its mission through policy-focused research and broad-based stakeholder engagement.

## Vision

ITUP believes that all Californians should have a fair opportunity to live their healthiest lives.

# ITUP Values

## ITUP Seeks a Health Care System that is:

**Universal** – All Californians are eligible for comprehensive health coverage and services, including primary, specialty, behavioral, oral, and vision health services, as well as services that address the social determinants of health.

**Equitable** – All Californians receive health care coverage, treatment, and services that address the social determinants of health regardless of health status, age, ability, income, language, race, ethnicity, gender identity, sexual orientation, immigration status, and geographic region.

**Accessible** – All Californians have access to coverage options and services that are available, timely, and appropriate.

**Effective** – Health, health care, and related services that address the social determinants of health are person-centered, value-based, coordinated, and high-quality.

**Affordable** – Coverage and services are affordable for consumers at the point of purchase and care; and, at the health system level for public and private purchasers

# Discussion Questions

## Lessons Learned:

Nearly one year into Community Supports (CS) and Enhanced Care Management (ECM) implementation:

1. What were/are key "pain points"?
2. How did you overcome them?
3. Were DHCS's Incentive Payment Program (IPP) funds helpful?

## Workforce Development:

1. What are your strategies for building capacity with CS and ECM providers and what works best?
2. What trainings, readiness activities, funding, etc. have you provided to providers?

## Outreach and Enrollment

1. Are you seeing the expected numbers of enrollment in CS and ECM?
2. What strategies are the most effective in outreaching to members?

# Year Two: What's Next?

1. What does "CalAIM CS and ECM growth" look like?
2. What would incentivize that growth?
3. What topics and/or additional CalAIM programs are you focused on in 2023?

# Thank You!
